### **ANDY, DONNA AND KACIE RUMFORD**

On March 12<sup>th</sup> 2013, Andy Rumford and his wife Donna founded Kacie's Cause upon the death of their daughter Kacie Erin Rumford. Andy has served on several Boards in past years which have raised well over 1 Million Dollars for charities geared towards Cancer Research and Special Needs Children. With Degrees in Education from Kutztown University and Penn State University and a Masters in Computer Sciences from Widener University, Andy has contributed most of his free time during the past 20 years towards assisting groups in raising money for charities. Andy and his family have lived in the Kennett square area for the past 26 years and are proactive in raising awareness towards the Opioid Epidemic gripping this country. Andy has been very active in the Car Show Community for decades and has utilized that avenue with Cars for Kacie to spread awareness on the Disease of Addiction.

### **DR. BARRY TOMASETTI**

Superintendent of the Kennett Consolidated School District (2010-Present)

In the past, Dr. Tomasetti served as the Superintendent of the Mifflinburg Area School District in Central Pennsylvania and Director of Elementary Education in Harrisburg's Central Dauphin School District, which has one of the largest student populations in the state with an enrollment exceeding 12,000 students. He also served as an elementary principal in both the Easton Area School District and the Fort Bend Independent School District in Texas.

Dr. Tomasetti earned his bachelor's degree in elementary education from the University of Iowa, and he holds a master's degree in instructional leadership from the University of Houston. For his doctorate, Dr. Tomasetti studied educational leadership at Indiana University of Pennsylvania.

Barry and his wife Linda are the proud parents of three boys. Barry Jr. is a graduate of the Rose-Hulman Institute of Technology and is employed as a mechanical engineer for Mckean Defense (<http://mckean-defense.com/>), Cory Gino is a fourth year (1st Class) Cadet at the United States Coast Guard Academy and Kerry Angelo a freshman at Carnegie Mellon University.

### **FRANCIS C. MILLER, ESQUIRE**

Francis C. Miller is a lifelong resident of Chester County. He was employed as a police officer, serving Chester County for seventeen years. Mr. Miller is currently an attorney in private practice in West Chester. His criminal defense and family law practices help many clients and families affected by addiction. Miller Law works closely with Chester County's Drug Court Program. The firm's clients have many success stories; as well as tragedies. Too many clients to count have died from addiction and overdose during Mr. Miller's twenty-one year practice. The firm's legal assistant, Tracey Norcini, is very active with Kacie's Cause Parkesburg Chapter. Mr. Miller has a child addict currently living in a sober living facility and working for a treatment center in Florida.

### **DR. JOHN SANVILLE**

Dr. John Sanville became Superintendent of the Unionville-Chadds Ford School District in August of 2011.

John has held virtually every job in a school – starting with a summer work as a custodian at Delaware Valley College in Doylestown when he was home from college. After graduating from George Washington University, his first jobs in a school was as a security guard and a soccer coach. His first teaching job came two years later as a US History teacher to seventh grade students. After completing his graduate studies at Virginia Tech John was hired as a middle school counselor in Spotsylvania County, VA.

John earned his Principal Certificate and became an assistant principal, first in Spotsylvania County and then in Marple Newtown, PA. In 2005 he became principal of Marple Newtown High School.

Three years later, John came to UCF as Director of Curriculum. That same year, after a successful defense of his dissertation, John earned his Doctorate degree. John has served as superintendent since 2011. He jokes about his first day as superintendent. The Brandywine river flooded on the first scheduled day of school that year and so John's first official act as superintendent was to close schools. Since then, John and the district

have gone on to accomplish much to further our mission to help empower our students to succeed in life and contribute to society.
